Consent Request for Media Coverage

2016-09-17

Dear Parents/Guardians:

Every year The Chinese Academy hosts a variety of activities at the school, such as the Reading Buddy Program, Singing Competition and Speech Competition. We videotape and photograph the students who participate in our school's activities. Occasionally, media is granted access by request or if there is a special event occurring that the school wishes to publicize to our school.

Video records and photographs for these events may be used externally (such as news report) as well as internally (including year book, students' work and activities display).

While we encourage the public celebration of our school achievements, we recognize that some individuals may not welcome this type of publicity.

As such, we would like to seek your consent for your child's participation in media coverage at the school. Please complete this form and return it to The Chinese Academy.

If the school office does not receive the reply slip by October 22, 2016, we will consider that consent has been granted for media coverage.

Please feel free to contact the school office if you have any questions about this form or possible media coverage opportunities involving your child.

Thank you for your attention.

Sincerely,

The Chinese Academy
